

Dreams Be Dreams

Jack Johnson

She's just waiting for the summertime
When the weather's fine
She could hitch a ride out of town
And so far away from that low down
Good for nothing, mistake making fool
With excuses like, "Baby that was a long time ago" But that's just a euphemism
If you want the truth he was out of control
But a short time is a long time
When your mind just won't let it go Well summer came along and then it was gone
And so was she
But not from him 'cause he followed her
Just to let her know Her dreams are dreams
And all this livin' is so much harder then it seems
But girl don't let your dreams be dreams
You know this living is not so hard as it seems
Don't let your dreams be dreams
Your dreams be dreams, be dreams
