Doctor

Catie Curtis

I?m like a rookie paramedic to a siren
Praying for an accident
No, they won't let me roll ?til I got no back up
Until they're out of control
This emergency brought you to me
I'll be your doctor, I'll be your cure
I'll be your medicine and more
Yeah, you can rest assure
I'm your doctor, I?m your cure
I'll be your cure
I got a secret, please don?t repeat it
I took the chemicals we took to make our chemistry
And I remixed it, it didn't fix it
All it did was make the memories a blur to me
This emergency brought you, brought you to me
I'll be your doctor, I'll be your cure
I'll be your medicine and more
Yeah, you can rest assure
I'm your doctor, I?m your cure
I'll be your cure
I?ll be, I?ll be your cure
I?ll be, I?ll be your cure
I?ll be, I?ll be your cure
I?ll be, I?ll be yours
I?ll be, I?ll be your cure
I?ll be, I?ll be your cure
I?ll be, I?ll be your cure
I?ll be, I?ll be yours
I?ll be, I?ll be your cure
I?ll be, I?ll be your cure
I?ll be, I?ll be your cure
This emergency brought you to
I'll be your doctor, I'll be your cure
I'll be your medicine and more
Yeah, you can rest assure
I'm your doctor, I?m your cure
I'll be your cure
This is it for me, this is it for me
This is it for me, this is it for me

This is it for me, this is it for me
This is it for me, this is it for me
