

Jeopardy

Greg Kihn

Where were you when I needed you
Well, you could not be found
What can I do about believin' you
You're runnin' me around

Well you can take it as you want it
Or take it any way you like
It's the lightnin', the thunder
You never know when it's gonna strike

Our loves in jeopardy, baby ooh
Our loves in jeopardy, baby ooh

Don't get cute, don't get funny now
It's later than you think
What's the use, save your money now
It's hangin' on the brink

Don't let go while I'm hangin' on
Cause I've been hangin' on so long
It's so hard to be all alone
I know you're not that strong yeah yeah

Our loves in jeopardy, baby ooh x5
