

Summertime

New Kids On The Block

Jones Beach, 1988, come on!
Do you remember or should I rewind?
To that summer when you caught my eye
I played it cool, the weather was hot
You had the beauty and the beach on lock
With your flip flops, half shirt, short shorts, mini skirt
Walkin' on the beach so pretty
You wasn't lookin' for a man when you saw me in the sand
But you fell for the boy from the city
I was like, "Hey girl, can I get your number?"
I remember what you told me too
"Don't call after ten," but you know that I did
'Cause I couldn't stop thinkin' 'bout you
I think about you in the summertime
And all the good times we had baby
Been a few years and I can't deny
The thought of you still makes me crazy
I think about you in the summertime
I'm sittin' here in the sun with you on my mind
My summertime
Do you remember? I'll never forget
Touchin' your body all soakin' wet
The water was cool, the feelin' was hot
Kissin' on you while the ocean rocked
In your strapless sundress, kickin' back no stress
As long as we was together
'Cause we were feelin' young love and we couldn't get enough

Baby, I could reminisce forever
And now I'm like, hey, girl don't you know I miss it?
And I wonder if you miss it too
Never thought it would end 'til it did
Now I'm here and I can't stop thinkin' 'bout you
I think about you in the summertime
And all the good times we had baby
Been a few years and I can't deny
The thought of you still makes me crazy
I think about you in the summertime
I'm sittin' here in the sun with you on my mind

My summertime
Summer ended, winter started
It got colder when we parted ways
As the seasons change
Winter melted, spring, I felt it
Summertime will never be the same without you
My summertime
I think about you in the summertime
And all the good times we had baby
It's been a few years and I can't deny
The thought of you still makes me crazy
I think about you in the summertime
I'm sittin' here in the sun with you on my mind
My summertime
