

# Anyone's Daughter

## Deep Purple

The wind is blowing from a new direction  
You're thinking 'bout going, I know  
It's been a long season and hard on our affections  
But that's no reason to let go You change just like the weather  
But the weather, you know, will always change  
If you stay, it'll get better  
Wherever you go, it's bound to rain So put on your jacket and stand your ground  
Love's gonna have its highs and lows  
If we turn and face it, the wind will come around  
Don't have to chase it when it blows You change just like the weather  
Well, I stood under your bedroom window  
Throwing up a brick  
No one came I threw one more  
That really did the trick Your daddy came and banged my head  
He said, "What kind of man  
Is this that's hanging 'round my girl"  
And threw me in the can You're a farmer's daughter  
You're a farmer's daughter  
Why do I always get  
The kinda girl I didn't oughta get  
I won't get no more eggs and water  
Now I've laid the farmer's daughter Imagine, I was a full-grown man  
And I could talk just right  
Could I come and see you here  
And do this every night? Wham, the door comes crashing down  
Your daddy's face all pale  
Says, "Come with me you hairy bum  
I'll put you in my jail?" You're a judge's daughter  
You're a judge's daughter  
Why do I always get  
The kinda girl I didn't oughta get  
Now I'm getting jail and torture  
'Cause I made the judge's daughter, yes I did, it was nice It seems they're screaming law and order  
When I go with anyone's daughter Woman, I should like some peace  
And daddy hold your tongue  
I think you're gonna die of fright  
When I tell you what I've done I can hear your tales and lies  
You say I'm dumb and scraggy  
But man this dumb and scraggy

Is your daughter's baby's daddy  
She's a lucky daughter  
Such a lucky daughter  
Why did I always get  
The kinda girl I didn't wanna get  
Now I've got what I always fought for  
'Cause I've married a rich man's daughter  
Ha, what do ya think of that?  
But the weather, you know, will always  
change  
If you stay, it'll get better  
Wherever you go, it's bound to rain  
You change just like the weather  
But the weather, you know, will always change  
If you stay, it'll get better  
Wherever you go, it's bound to rain  
You change just like the weather
