

No Second Thoughts

Tom Petty & The Heartbreakers

She threw down her golden band
Crushed it with her feet into the sand
Took her silent partner by the hand
Yeah, yeah, ooh, yeah, yeah
Somewhere near the edge of town
She said, she was torn and turned around
"Can you help me cast this evil down?"
Yeah, yeah, ooh, yeah, yeah
We'll drive for the line
Now there's nothing to be lost
You and I will cross over
With no second thoughts
We'll drive for the line
Now there's nothing to be lost
You and I will cross over
With no second thoughts
Dreams fade hope dies hard
She cups her eyes and looks out at the stars
Says, "I feel we've traveled very far"
Yeah, yeah, ooh, yeah, yeah
Yeah, yeah, ooh, yeah, yeah
Yeah, yeah, ooh, yeah, yeah
