

# 666 Conducer

## Black Rebel Motorcycle Club

No one knows her name but they see her youth and use her  
Shes feeling free and everything she sees is truth  
Shes seventeen, shes got everything she needs to lose  
Yeah, yeah, yeah, oh noShes got everyone to help her on her way  
Shes got everyone to help her on her way  
Shes got everyone to help her on her way downHe seems to know right where it hurts, your pain, in vain  
He gives himself to you, hes in your way  
And everything he does just seems a phase, insane  
Yeah, yeah, yeah, oh noHes got everyone to help him on his way  
Hes got everyone to help him on his way  
Hes got everyone to help him on his way downEverything you touch tears at your heart, apart  
Of everything you see is down in your soul, never let you goYouve got everyone to help you on your way  
Youve got everyone to help you on your way  
Youve got everyone to help you on your way downYoure a 666 conducer, how do you do the things you do, sir?  
Youre a 666 conducer, how do you do the things you do, sir?  
Youre a 666 conducer, how do you do the things you do?  
Youre a 666 conducer, how do you do? How do you do?Youre a 666 conducer, how do you do the things you  
do, sir?  
Youre a 666 conducer, how do you do the things you do, sir?  
Youre a 666 conducer, how do you do the things you do, sir?  
Youre a 666 conducer, how do you do the things you do?  
How do you do the things you do? How do you do?  
How do you do? How do you do? How do you do?
