Like You Used To

Kidnap Kid

Holding me,
Holding me like you used to
Loving me
A love I wasn't used toI wonder where you've been
And do you think of me
'Cause I'm not missing you at allI'LL BE ALRIGHT
I'LL BE OK
And it fall fine
You're away and I'm away
IT'S NOT MY CRIME
Still, I'm locked away
I'M SERVING TIME
I will learn from this mistakeLeaving me
Then as you walk me home
It's keeping me
Well away from your throneAnd I'm at ease
Pretending that I have you here
Knowingly
You refuse to keep me nearYou sent me flying
You sent me flying
Touch of you sent me flying
The touch of you sent me flyingI wonder where you've been
And do you think of me
'Cause I'm not missing you at allI'LL BE ALRIGHT
I'LL BE OK
And it fall fine
You're away and I'm away
IT'S NOT MY CRIME
Still, I'm locked away
I'M SERVING TIME
I will learn from this mistakeYou sent me flying
You sent me flying
You sent me flying
You sent me flying
