

# Things Have Changed

**Bob Dylan**

A worried man with a worried mind  
No one in front of me and nothing behind  
There's a woman on my lap and she's drinking champagne  
Got white skin, got assassin's eyes  
I'm looking up into the sapphire tinted skies  
I'm well dressed, waiting on the last train  
Standing on the gallows with my head in a noose  
Any minute now I'm expecting all hell to break loose  
People are crazy and times are strange  
I'm locked in tight, I'm out of range  
I used to care, but things have changed  
This place ain't doing me any good  
I'm in the wrong town, I should be in Hollywood  
Just for a second there I thought I saw something move  
Gonna take dancing lessons do the jitterbug rag  
Ain't no shortcuts, gonna dress in drag  
Only a fool in here would think he's got anything to prove  
Lotta water under the bridge, lotta other stuff too  
Don't get up gentlemen, I'm only passing through  
People are crazy and times are strange  
I'm locked in tight, I'm out of range  
I used to care, but things have changed  
I've been walking forty miles of bad road  
If the bible is right, the world will explode  
I've been trying to get as far away from myself as I can  
Some things are too hot to touch  
The human mind can only stand so much  
You can't win with a losing hand  
Feel like falling in love with the first woman I meet  
Putting her in a wheel barrow and wheeling her down the street  
People are crazy and times are strange  
I'm locked in tight, I'm out of range  
I used to care, but things have changed  
I hurt easy, I just don't show it  
You can hurt someone and not even know it  
The next sixty seconds could be like an eternity  
Gonna get lowdown, gonna fly high  
All the truth in the world adds up to one big lie  
I'm love with a woman who don't even appeal to me  
Mr. Jinx and Miss Lucy, they jumped in the lake  
I'm not that eager to make a mistake  
People are crazy and times are strange  
I'm locked in tight, I'm out of range  
I used to care, but things have changed
