

# Every Morning (Headhunters Edit)

## Basshunter

There is one girl in my life  
That makes me love again  
As pretty as a girl could be  
So beautiful Every morning she makes me  
A cup of coffee with a smile on her face  
I'm a man in love  
And she's glorious There is one girl in my life  
That makes me love again  
As pretty as a girl could be  
So beautiful Every morning I wake up  
And I think of you with a smile on my face  
I'm a man in love  
And she's glorious  
Oh baby, I want you to stay in my life  
Never say goodbye, even if you cry  
I'm still by your side Oh baby, I want you to stay in my life  
Never say goodbye, even if you cry  
I'm still by your side There is one girl in my life  
That makes me love again  
As pretty as a girl could be  
So beautiful Every morning I wake up  
And I think of you with a smile on my face  
I'm a man in love  
And she's glorious There is one girl in my life  
That makes me love again  
As pretty as a girl could be  
So beautiful  
Every morning I wake up  
And I think of you with a smile on my face  
I'm a man in love  
And she's glorious Oh baby, I want you to stay in my life  
Never say goodbye even if you cry  
I'm still by your side Every morning
