

# In the Flesh

Roger Waters

{Einse, svei, drei, alle!} So you thought you might like to go to the show  
To feel the warm thrill of confusion, that space cadet glow  
I got some bad news for you, sunshine  
Pink isn't well, he stayed back at the hotel  
And they've sent us along as a surrogate band  
We're gonna find out where you fans really stand Are there any queers in the theater tonight?  
Get 'em up against the wall  
(Yes the wall)  
There's one in the spotlight now he don't look right to me  
Get him up against the wall  
(Yes the)  
And that one looks Jewish and that one's a coon  
Who let all this riffraff into the room?  
There's one smoking a joint and that one's got spots  
If I had my way I'd have all of your shot
