Set You Free

Lil Tweety

See I Try To Be The Best I Can
Try To Be The Only Man
That Will Set You Free From Every Tear And Misery
But It Just Came To Me About The Truth You Always Hide
And It Just Came To Be A Memory You Hid Inside
See I Try To Make You Happy
Try To Feel Your Soul Pride
But It Just Didnt Work It Was The First Time That You Lied
Every Night I Made You Cry Cuz I Was Angry Up Inside
Blood Rushing Throught My Vains
Rigth There I Knew I Had To Change
Cuz I Couldnt Stay The Same
Made Me Someone Who I Am Not
Now It Came A Part Of Me But I Just Wanted All To Stop
Well I Did It Just For You
And I Notice That You Change Like A Stranger To Me
Sometimes I Think That You Are Danger To Me

[Chorus:]
If You Dont Want Me Then
I Will Set You Free(I Will Set You Free)
Then You Well See How Life Can Be Without Me
If You Dont Want Me Then
I Will Set You Free(I Will Set You Free)
Then You Well See How Life Can Be Without Me

But Dont Get Me Wrong Cuz Baby I Still Love You
You Just Make Me Strong And How I Think Of You
How Long Its Gonna Last , Cuz I Think About The Past
And Why'd It Went So Fast
And All Those Times That We Had
And Know We Wake Up Everyday Feeling Mad
I Am About To Be A Dad Dont You Think About That
Your Ma Lady Cant You See
Stop Letting Go Of Me
But If Thats What You Want,
Then I Will Set You Free
Everyday I Thank God For What He Sent To Me
But When You Get Mad , You Say They Weren't Meant To Be

But Baby Check Reallity Its Time For You To Quit
And Gurl If You Dont I Am Letting Go Of It

[Chorus:]
If You Dont Want Me Then
I Will Set You Free(I Will Set You Free)
Then You Well See How Life Can Be Without Me
If You Dont Want Me Then
I Will Set You Free(I Will Set You Free)
Then You Well See How Life Can Be Without Me

So Do You Really Love Me Like The Way You Say You Do
I Know It All The Time
Cuz I Know Gurl How About You
I Am Here To You Ride Even Though
We In A Fight I Just Want To Row Now Take A Grip Hold On Tight
We Aint Got Long To Listen, Take A Minute To Think
If You Were Walking In Ma Shoes
And Feeling Lonely And Blue
I Know I Look happy But I Am Hurting Inside,
See I Am Taelling All My Feeling , There Is Nothing To Hide
Are You Ready To Commite And Be The Gurl Of Ma Life,
See I Try To Be Nice
But You Just Dont Care,
And If You Look For Some Rought Love It Doesnt Live Here
Cuz You Know I Love You,
But Everyday I Wonder If You Do

[Chorus:]
If You Dont Want Me Then
I Will Set You Free(I Will Set You Free)
Then You Well See How Life Can Be Without Me
If You Dont Want Me Then
I Will Set You Free(I Will Set You Free)
Then You Well See How Life Can Be Without Me

Why O Why O Why Did You Lie
Why O Why Why'd You Make Me Cry
Get Gone Said Get Gone
Get Outa Ma Life
Get Outa Ma Life
Dont Dont Dont Come Back No More
