

# Cassiopeia

## Shabutie

Wide. Wide. Wide Open

wide (open)

(wide) open

Cassio, Could You LOVE me

more... more...

can we be friends?

On a journey to debate i call freedom

Words unsung

Hold me close

Don't let the wind follow

Don't let the wind take us away

Cassio...

Why the f\*\*k would you do anything to work out all wrong

It's my freedom

Cassio, Cassio

Cassio...
