Solid Gold

Obenewa

You ain't no mystery
I see right through you
I see a part of me
That found like that too
You try to do your best
But feel the worst
But know you're worth it
Ease the hurt

Cause you're solid gold
Precious in every way
Let your light unfold
You're solid gold
No one can take away
The beauty that you hold.

Tu tu tu tu tu tu tu
Solid gold
Tu tu tu tu tu tu tu

I tried to change myself
I didn't feel right
Distortion my best friend
Misplaced my inside
We've all succumbed to feel
But rise above and take control
Cause you are gold

You're solid gold
Precious in every way
Let your light unfold
You're solid gold
No one can take away
The beauty that you hold

Tu tu tu tu tu tu
Solid gold
Tu tu tu tu tu tu
Solid gold
Tu tu tu tu tu tu

Solid gold
Tu tu tu tu tu tu
Solid gold
