

# Crimson Winds (Karlstad 1994)

## Dark Tranquillity

Force of anger, Mordant senseless wrath  
Manifold is the Terminus of oneself  
Invoke ye lord of the Left-behinds  
Preserve a seat for the weakened minds Reserving that limpid yet so used  
Veil of deceiving hostility  
Close now is the threshold of insanity Neverending force of hatred,  
fear, them darkened spheres  
Deprecated existence, Manifest of darkness be Manifest for unspeakable actions  
Fire sermons to condemn those fallen  
Fallen from pride, fallen from the manger  
Father, lend to me thy wisdom, Thy wisdom of old Now all is clear:  
"Pierce the side of the neverending blindness  
Then thereby be it stated in the name of the forgotten  
Father of Light, Father of Darkness  
I will not implore to no master of thine!" Everflaming  
Intemperate malice in the extreme  
Forms are twisted, Everfalling  
Crescent skies, the wait, The calling  
Eyes unseeing, Stars rearrange  
Tears of our blood running from the runes Misgivings fall silent  
Excitement stir up the spheres  
My sweet Norderland To reap the fields of ignorance and lies  
Trails of omission swept away  
Never be found again Release of agony  
So Hebulous, yet ominous is the Terminus  
Flames of Hatred burn me  
Firesoul - Hear me, Blinded fool  
Take heed to the forgotten twilight  
Now kneel to the omniscient twilight Crimson Winds, Ornaments in the dark  
The weep of pain, Drowned by tears  
Drowned by tears of Northerly blood  
Runes of force,  
Fulfillment of a sombre ordeal I know  
"Pierce the side of the neverending blindness  
Then thereby be it stated in the name of the forgotten  
Father of Light, Father of Darkness  
I will not implore to no master of thin
