

# The Moon's a Harsh Mistress

## Celtic Woman

See her as she flies  
Golden sails across the sky  
Close enough to touch  
But careful if you try  
Though she looks as warm as gold  
The moon's a harsh mistress  
The moon can be so coldOnce the sun did shine  
And lord it felt so fine  
The moon a phantom rose  
Through the mountains and the pine  
And then the darkness fell  
The moon's a harsh mistress  
It's hard to love her wellI fell out of her eyes  
I fell out of her heart  
I fell down on my face, yes I did  
And I tripped and I missed my star  
And I fell and fell alone  
The moon's a harsh mistress  
The sky is made of stoneThe moon's a harsh mistress  
She's hard to call your own
