

# Strange Entity (Friends In Paris Remix)

## Oscar and the Wolf

So take good care of me  
I'll follow how you need  
And I take good care of you  
But you're heartless, you're heartless You turn it into your own  
So tie me back to my bones  
Collect your love and then my heart  
But you're fearless, you're fearless But I'll take care of your mind  
I lost you, I miss you  
I wanna hold you  
I doubt you deny it  
I lost you, I miss you  
I wanna hold you Come back  
I miss you, I wanna hold you  
Come back  
Come back So take good care of me  
I'll follow how you need  
And I take good care of you  
But you're heartless, you're heartless So rest your head and fear my eyes  
For they won't come inside  
Cry me a river, spin me around  
But you're heartless, you're heartless But I'll take care of your mind  
I lost you, I miss you  
I wanna hold you  
I doubt you deny it  
I lost you, I miss you  
I wanna hold you Come back  
I miss you, I wanna hold you  
Come back  
Come back When I see a train, I speak and go  
See a train, speaks and go But I'll take care of your mind  
I lost you, I miss you  
I wanna hold you  
I doubt you deny it  
I lost you, I miss you  
I wanna hold you Come back  
I miss you, I wanna hold you  
Come back  
Come back
