

Viva la Rock 'n' Roll

Alternative TV

Viva la Rock n Roll
Paris is the city of the dead hero
Tomorrow spend down in a bar
Tonight I prefer 1971

Viva la Rock n Roll
Paris is the city of the dead hero
Poor old Jim was much good for a laugh
His sound recording was a lot of fun

Ques que se what people say
Paris is a wonderful city on 40 Francs a day
Ques que se what people say
Paris is a wonderful city on 40 Francs a day

Viva la Rock n Roll
Paris is a city of influence
Arthur Rimbaud spoke to me
Through New York's New wave

Viva la Rock n Roll
Paris is the city of influence
I walk her in the antidote
People are made of Technicolor milk

Ques que what people say
Paris is a wonderful city on 40 Francs a day
Ques que what people say
Paris is a wonderful city on only 40 Francs a day

Viva la Rock n Roll
Paris is the center of the Universe
Oh young Tony trust nobody fools
was really the real thing

Viva la Rock n Roll
Paris is the center of the universe
I've lots of love for walking street
and poor old Tony change these times

Ques que se what people say
Paris is a wonderful city on 40 Francs a day
Ques que se what people say
Paris is a wonderful city on 40 Francs a day

Forty Francs a day
Forty Francs a day
Forty Francs a day

Oh oh oh oh oh

oh

oh...
