

# human - Roul & Doors Radio Edit

[Christina Perri](#)

I can hold my breath  
I can bite my tongue  
I can stay awake for days  
If that's what you want  
Be your number one  
I can fake a smile  
I can force a laugh  
I can dance and play the part  
If that's what you ask  
Give you all I am I can do it  
I can do it  
I can do it But I'm only human  
And I bleed when I fall down  
I'm only human  
And I crash and I break down  
Your words in my head, knives in my heart  
You build me up and then I fall apart  
'Cause I'm only human, yeah I can turn it on  
Be a good machine  
I can hold the weight of worlds  
If that's what you need  
Be your everything I can do it  
I can do it  
I'll get through it But I'm only human  
And I bleed when I fall down  
I'm only human  
And I crash and I break down  
Your words in my head, knives in my heart  
You build me up and then I fall apart  
'Cause I'm only human, yeah I'm only human  
I'm only human  
Just a little human I can take so much  
Until I've had enough 'Cause I'm only human  
And I bleed when I fall down  
I'm only human  
And I crash and I break down  
Your words in my head, knives in my heart  
You build me up and then I fall apart

'Cause I'm only human, yeah
