

# Lookaway (master Vibe Mix)

## Sepultura

Each time I pull it apart  
I get disgusted, can't do it today  
What makes it so good  
That a man would kill for it  
Lie just to lick a bit

Each time I pull it apart  
I get disgusted, can't do it today  
What makes it so good  
To lie just to lick

Fake it, you like it  
Just take me away  
Hold it, just save it  
And I'll be repaid

Each time I pull it apart  
I get disgusted, can't do it today  
What makes it so good  
That a man would kill for it  
To lie just to lick a bit

Each time I pull it apart  
I get disgusted, can't do it today  
What makes it so good  
To lie, to lick

Take it, enlarge it  
Became it, before  
Like it, I like it  
And I'll be, can't tell

[Incomprehensible]

Fake it, then like it  
Just take it tonight  
Take it

I look at you  
Then you look away

You look at me  
Then you look away

Looking at me  
Then you look away

Look at me  
Then you look away

I look at you, looking at me  
Then you look away

I look at you  
Then you look away  
I look at you  
Then you look away

I look at you  
Then you look away  
I look at you  
Then you look away

I look at you  
Then you look away  
I look at you  
Then you look away
