

# Allied Forces

## Triumph

I've got something on my mind  
I want you to know  
Rock troops are on the move  
It's startin' to showParatroopers are on the move  
Can't you see  
Strategic weapons  
Are something we don't needAllied forces in every nation  
Allied forces gonna take control  
Allied forces of my generation  
Allied forces of rock 'n' rollYouth culture in overdrive  
Mass frustration  
Too much, too little, too late  
Class alienationDenim armies working  
Consolidate the might  
War games, maneuvers  
Rehearsals in the nightAllied forces in every nation  
Allied forces gonna take control  
Allied forces of my generation  
Allied forces of rock 'n' rollI've got something on my mind  
I want you to know  
Rock troops are on the move  
It's startin to showParatroopers everywhere  
Are ready to fight  
We're mobile allies  
Marchin' every nightAllied forces in every nation  
Allied forces gonna take control  
Allied forces of my generation  
Allied forces of rock 'n' roll
