Evacuate the Earth

Nasum

Evacuate the earth
What else can we do?
Evacuate the earth
Time is running shortNo time for repentance, no time for regret
Just leave this forsaken ground
The dream about the utopia
Is just an inversion of the truthSuccumb the horror
Invoke the endEvacuate the earth
End all while you can
Evacuate the earth
Do not postpone your fateLeave all the chaos, leave all the turmoil
Leave this carcass called earth
When all hope is lost, close your eyes
And fall into the illusionSuccumb the horror
Invoke the end
