Say a Prayer (Intro)

Donald Lawrence

Lord I come to you
I ask you to grant my request
The prayer I pray today
Is different than the rest
The enemy is threatened
By the gift you've placed in me
Here my earnest prayer, cover for me[Chorus]
Jesus say a prayer for me
You know what I need
Go before the Father
And intercede for me
The enemy desires to sift me as wheat
Like You did for Peter
Say a prayer for meFor those that you've call you fully equipped
To fight the wind and the waves
To captain the ship
So I don't mind the storm
I'm willing to sail
God cover me that my faith won't fail[Chorus]
Jesus say a prayer for me
You know what I need
Go before the Father
And intercede for me
The enemy desires to sift me as wheat
But like You did for Peter
Say a prayer for meOoh,ooh, ooh, ooh,
Holy Spirit pray for meOoh,ooh, ooh, ooh,
Holy Spirit pray for meHoly Spirit, Holy Spirit, Holy Spirit
Pray for meHoly Spirit, Holy Spirit, Holy Spirit
Pray for meLike you did for Peter
Say a prayer for me
Say a prayer for me
Say a prayer for me
