

# Think Too Much, Feel Too Little

## JAWS

Started out again  
Saw you dancing across the room  
Turn a second & took a breath  
    Took a chance  
And we get it we get it it's over  
    And I don't wanna go home  
    We get it we get it it's over  
I go back to BEING ALONE  
    (alone alone alone)

Started out again  
Saw you dancing across the room  
Turn a second & took a breath  
    Took a chance  
And we get it we get it it's over  
    And I don't wanna go home  
    We get it we get it it's over  
I go back to BEING ALONE  
    (alone alone alone)

Everybody's got it wrong  
    Little things going on  
Does it matter for what you say  
    You'll get it!
