If Your Heart's Not In It

Westlife

Ooh, oh yeah
Yeah yeahI'm missing you
Girl even though you're right here by my side
'Cause lately it seems
The distance between us is growing too wideI'm so afraid that you're sayin' it's over
It's the last thing that I wanna hearBut if your heart's not in it for real
Please don't try to fake what you don't feel
If love's already gone
It's not fair to lead me on'Cause I would give the whole world for you
Anything you ask of me, I'd do
But I won't ask you to stay, I'd rather walk away
If your heart's not in itYou say that you love me but baby sometimes
You're just saying the words, saying the words
If you've got somethin' to tell me
Don't keep it inside, let it be heardI'm so afraid that you're sayin' it's over
But girl, I'll make it easy for youIf your heart's not in it for real
Please don't try to fake what you don't feel
If love's already gone
It's not fair to lead me on'Cause I would give the whole world for you
Anything you ask of me, I'd do
But I won't ask you to stay, I'd rather walk away
If your heart's not in itHow I wish I could take us back in time
But it's gone too far, now we can't rewindThere's nothing that I can do to stop me losin' you
I can't make you change your mindNo no
If your heart's not in it
Oh yeah
Oh ohOh baby, if your heart's not in it for real
Please don't try to fake what you don't feel
But I won't ask you to stay
I'd rather walk away, oh noIf your heart's not in it for real
Please don't try to fake what you don't feel
If love's already gone
It's not fair to lead me on'Cause I would give the whole world for you
Anything you ask of me, I'd do
But I won't ask you to stay, I'd rather walk away
