

Half a Moment

Sarah Brightman

Half a moment
We are together
I shall want no one else
And nothing new
Half a moment
I shall treasure
Keep it locked away
For some future rainy day
Should you leave me
With just this moment?
In my mind
I shall capture it a new
Like some picture
Taken in my childhood
Half a moment
Spent with you
Half a moment
I shall treasure
Keep it locked away
For some future rainy day
Should you leave me
With just this moment?
In my mind
I shall capture it a new
Like some picture
Taken in my childhood
Half a moment
Spent with you
Countless vivid memories
Spin before my view
Like some toy kaleidoscope
Images of you
Time looks kindly
On fleeting lovers
They can turn
The briefest hour into a day
Turn a moment
To a lifetime
Making it to last
Blending future with the past
We're together
What else can matter?
Even though
Half a moment is too few
I shall save it
'Til I have another

Making one whole moment
Filled with you
