## Teairra Mari

Yeah, uh huh  
Teairra Mari  
All star  
Come On, come on  
Lets go! Well let me start out by saying this  
And there ain't no game in this  
Don't even think you waste my time  
I know that I'm not the only one  
So don't get it twisted son  
No, I don't think that you're all mine  
Baby boy what I do know  
Is that I'm in-expandable  
You'll never find another like me  
'cause all the others just fall in line  
I come first and they're behind  
This is where you need to be 'cause you think that I'm just whatever (Whatever)  
Trust me, it don't get no better  
I don't know what you've been told  
But I know you won't disagree 'cause I'm the franchise

Can't another girl on earth see me (See me)  
Well I'm the franchise

But baby I'm not falling back  
I just want you to know that I'm still gonna ride for you
