Caught In The Middle

Cerys Matthews

Been crying a little
Been caught in the middle
It's something you'd hate to admit to
But you are the only one
Who can show you've been sad and lonelyShe shouldn't have said it
You shouldn't have done it
And after all is said and done
We are the only ones who can
Start where we want to startCome lie with me sir
Come lie with me
Make good with love
It's better than envyYou say you regret it
Now learn to forget it
There's so much more to dwell on
And we are the only ones who can
Know where we want to goCome lie with me sir
Come lie with me
Make good with love
It's better than envyOh I'm soft in the middle
Still hurting a little
All I wanted was for you
To lay in my arms arms
And show me what good Lovin' can doSo kiss me goodnight
I'm suddenly suddenly tired
Let the sun go down on me and you, we've got the time
And truth be told
I've been sad and lonely,
I've been sad and lonely too
