

# Light of Salvation

## Desperation Band

All around the world  
You hear now's the time  
Break the chains and hold them high  
Hold them high We were made for such a time as this  
To make a difference  
In the world we live  
Now we live Who's dancing, who's singing?  
Who's living a life worth living?  
We are, we are we're shining  
The light of salvation Who's running, who's loving?  
Who's breaking the doors wide open?  
We are we are we're shining  
The light of salvation Old has turned  
To something new and beautiful  
Broken dreams are coming true  
They're coming true Hey, hey, hey, hey  
We're shining the light of salvation  
Hey, hey, hey, hey  
We're shining the light of salvation We have made our choice we are  
We are a generation  
With one voice to shout  
Of Your salvation
