

# Thank You

## Nathaniel Rateliff & the Night Sweats

Spend your years  
Spend your time  
With all these tears  
Not all were mine I just want to thank you  
I just want to thank you sweet baby for getting me through Can't hide your fears  
I can't hide mine  
In spite of all this dear  
I think we're fine I just want to thank you  
I just want to thank you pretty baby for getting me through I was looking back there lord  
Could have been no one else  
I would have been so cold  
Laying here by myself  
Ever since you found me yeah  
Never be anybody else  
Yeah baby, yeah I just want to thank you  
I just want to thank you sweet baby for getting me through
