

# In the Basement, Part One

## Etta James & Sugar Pie DeSanto

In the Basement Ohh, now tell me where can you party, child, all night long?

    In the basement, down in the basement, yeah.

    Oh where can you go when your money gets low?

    In the basement, whoa down in the basement

    And if a storm is taking place, you can jam and still be safe

In the basement, down in the basement, yeah, yeah, yeah Where can you dance to any music you choose?

    In the basement, whoa down in the basement

    Oh, you got the comforts of home, a nightclub too.

    In the basement, whoa down in the basement.

Theres no cover charge or fee and the food and drinks are free,

    In the basement, down in the basement

    Come on child, you can do it, you can do it, yeah Guitar lead

    In the basement, thats where its at (4x)

    In the basement, in the basement, in the basement

        thats where its at

        (You tell em)

    Where they dont, where they dont check you age at the door,

    In the basement, whoa down in the basement

        Barracuda and? til your feet get sore

    In the basement, whoa down in the basement

    Do any dance you want to do, theres no one under you
