Mandisa

F-R-E-E, free, F-R-E-E, free, F-R-E-E, free
Gonna tell the world what He did for me
Don't worry, don't cry
That's the voice I hear inside
But it's hard for me to see
Tomorrow's but a dream
'Cause today's reality
Is right in front of me
They say I'll never make it
They say you can never change it
What you are is what you'll always be
They say that I should give up
Once you're down you'll never get up
But that's not the truth for me, no
Who the Son sets free, best believe is free indeed
Gonna take it to the streets, my Lord delivered me
Who the Son sets free, best believe is free indeed
Gonna dance and shout, and scream, I'm free indeed
F-R-E-E, free, F-R-E-E, free, F-R-E-E, free
Gonna tell the world what He did for me
I've tried and tried, and tried
To make this mountain step aside
Or to climb it on my own
What You did was more than help
Did what I couldn't do myself
You said that I was not alone
When I thought I'd never make it
You came along and then You changed it
Made a way somehow and brought me through
As I was just about to give up
You took my hand said, "Baby, get up"
Now here I stand because of You
Who the Son sets free, best believe is free indeed
Gonna take it to the streets, my Lord delivered me
Who the Son sets free, best believe is free indeed
Gonna dance and shout, and scream, I'm free indeed
F-R-E-E, free, F-R-E-E, free, F-R-E-E, free
Gonna tell the world what He did for me
If you need a friend 'til the very end

To be there by your side
To get you through the hard times
The dark times of your life
To bring you in to the dawn
He's the One you're looking for
The Savior, your Deliverer
Who the Son sets free, best believe is free indeed
Gonna take it to the streets, my Lord delivered me
Who the Son sets free, best believe is free indeed
Gonna dance and shout, and scream, I'm free indeed
F-R-E-E, free, F-R-E-E, free, F-R-E-E, free
Gonna tell the world what He did for me
F-R-E-E, free, F-R-E-E, free, F-R-E-E, free
Gonna tell the world what He did for me
