

# Never Say Never

## The Fray

Some things we don't talk about  
Rather do without  
And just hold a smile  
Falling in and out of love  
Ashamed and proud of  
Together all the while

You can never say never while we don't know it  
Time and time again  
Younger now than we were before  
Don't let me go, don't let me go, don't let me go  
Don't let me go, don't let me go, don't let me go

Picture you're the queen of everything  
Far as the eye can see  
Under your command  
I will be your guardian when all is crumbling  
Steady your hand

You can never say never while we don't know it  
Time, time and time again  
Younger now than we were before  
Don't let me go, don't let me go, don't let me go  
Don't let me go, don't let me go, don't let me go

We're falling apart,  
We're coming together,  
Again and again  
We're crawling apart,  
But we're falling together,  
Falling together  
Together again

Don't let me go, don't let me go, don't let me go  
Don't let me go, don't let me go, don't let me go  
Don't let me go, don't let me go, don't let me go  
Don't let me go, don't let me go, don't let me go
