Shoot Me Down

Lil Wayne

Open up your hearts people
Page 1, chapter 1, verse muthafuckin 1
Yeah, uh huh, I'm drinkin hot tea bitch, feel meYeah, if you let me, you wont regret me
Shit, if you let me you wont forget me, remember
And if you don't then ponder, hold up, bah bah
Theres a reminderI ain't kinda hot, I'm sauna
I sweat money and the bank is my shower
Ha ha and that pistol is my towel
Ha, so stop sweatin me cowardAnd I would die for ours
Ride for hours, supply the flowers
This is history in the making
Now shut the fuck up and let me make itPlease don't shoot me down
Cause I'm flyin, I'm flyin, I'm high up
Please don't shoot me down
Cause I'm flyin, I'm high upI spit Alcatrez bars, I know
And D-Boys are the only alphabet boys I know
Gotta 3-80 on my waist and Rambo at home
No more bandana on my dome, bandana in my right pocketBitch I'm grown, fuck what you on?
Now watch me stand on the world as I sit in a throne
And if I jump Ima fly and look into the eagles eye
And see I am nothin like you, why?Bitch see, it gets me, how nothing gets me or get to me
And if you shootin for the star then just shoot me
But your bullets don't reach Mars
Pause, clause because Ima a beast, Ima dog, Ima getchaMy picture should be in the dictionary
Next to the definition of definition
Because repetition is the father of learnin
And son I know you barrel burnin butPlease don't shoot me down
Cause I'm flyin, I'm flyin, I'm high up
Please don't me down
Cause I'm flyin, I'm high upHey, Ima talk to my daddy
Pappa, I did it to em, Ima bastard
And Ima do it again like nigga backwards
These niggas backwards but they behind us
Now watch me get high like dimes upNow D bring the drums back
And watch me hit em where there lungs sat like dat
I get respect cause if I don't Ima take it
I see your boys hatin and I see your girls nakedDrum sound like a naked gun, I switch clips with my thumb
Then I pop another clip in and aim at his vision
'Cause Wayne is his vision, cause Wayne is the mission

I'm aimin' at a mirrorPlease don't shoot me down
Cause I'm flyin, I'm flyin, I'm high up
Please don't me down
Cause I'm flyin, I'm high upPlease dont shoot me down
Cause Im flyin, Im flyin, Im high up
