## Shellshock (7" Edit)

## **New Order**

Shellshock

Shellshock

Shellshock

Shellshock

Shellshock

Shellshock

Shellshock

Hold on, it's never enough

It's never enough until your heart stops beating

The deeper you get, the sweeter the pain

Don't give up the game until your heart stops beatingUntil your heart

You call me on the phone, you left me all alone

All I get from you is shellshock

Another day goes by and all I do is cry

All I get from you is shellshock

I'd tell the world and save my soul

But rain falls down and I feel cold

A cold that sleeps within my heart

It tears the earth and sun apart

But that's the way that I can win

A victim of your evil sin

You've lost the hold you've had on me

By causing the changes that you never see

Hold on, it's never enough

It's never enough until your heart stops beating

The deeper you get, the sweeter the pain

Don't give up the game until your heart stops beatingHold on it's never enough

It's never enough until your heart stops beating

The deeper you get, the sweeter the pain

Don't give up the game until your heart stops beatingOh

Until your heart

When we walk through open doorways

Counting time in one or more ways

We can't find our peace of mind

And life becomes a life of crime

And that's the day I call your name

I came to you, I called in vain

You lost the faith within your heart

The fire in your soul from the end to the start

Hold on, it's never enough

It's never enough until your heart stops beating

The deeper you get, the sweeter the pain

Don't give up the game until your heart stops beatingHold on, until your heart, until your heart

That's the way

I've been good and I've been bad

But common sense I've never had

No matter how I try and try

I hide the truth behind a lie

But that's the way that I can win

A victim of your evil sin

You lost the faith within your heart

The fire in your soul from the end to the start

Hold on, it's never enough

It's never enough until your heart stops beating

The deeper you get, the sweeter the pain

Don't give up the game until your heart stops beatingHold on, it's never enough

It's never enough until your heart stops beating

The deeper you get, the sweeter the pain

Don't give up the game until your heart stops beatingHold on, it's never enough

It's never enough until your heart stops beating

The deeper you get, the sweeter the pain

Don't give up the game until your heart stops beatingHold on, it's never enough

It's never enough until your heart stops beating

The deeper you get, the sweeter the pain

Don't give up the game until your heart stops beatingHold on, it's never enough

It's never enough until your heart stops beating

The deeper you get, the sweeter the pain

Don't give up the game until your heart stops beating
