

Sweet Little Sixteen

Ten Years After

They're really rockin' in boston
Pittsburg, pa.
Deep in the heart of texas
And down in frisco bay
Way over in st. louis
Down in new orleans
The cats they wanna dance with
Sweet little sixteen Little sixteen
Well, she's gotta have
About half a million
Half a million autographs
Oh, but tomorrow morning
She's got to change her trend
To be back in the classroom
She's gotta be back in school again
