In The Still Of The Night

Patricia Barber

In the still of the night as I gaze out of my window
At the moon in it's flight my thoughts all stray to you
In the still of the night while the world is in slumber
Oh, the times without number, darling when I say to youDo you love me as I love you?
Are you my life to be, my dream come true
Or will this dream of mine fade out of sight?Do you love me as I love you?
Are you my life to be, my dream come true
Or will this dream of mine fade out of sight?Like the moon growing dim on the rim of the hill
In the chill still of the night
