

Love Machine

Girls Aloud

Ladies you're damn right
you can't read a man's mind
We're living in two tribes
and heading for war
Nobody's perfect
we all gonna work it
But fellas, we're worth it
So don't break the law

Your call's late, big mistake
you've gotta hang about in limbo for as long as i take
Next time, read my mind and I'll be good to you
We're gift-wrapped kitty cats
we're only turning into tigers when we're gonna fight back
let's go, eskimo
out into the blue
