

# I'll Be (Ejay Day)

## American Idol

The strands in your eyes, they color them wonderful  
Stop me from stealin' my breath  
Emeralds from mountains thrust towards the sky  
Never revealing their depth Tell me that we belong together  
Dress it up with the trappings of love  
I'll be captivated, I'll hang from your lips  
Instead of the gallows of heartache that hang from above And I'll be your cryin' shoulder  
And I'll be love suicide  
I'll be better when I'm older  
I'll be the greatest fan of your life And rain falls angry on the tin roof  
As we lie awake in my bed  
You're my survivor, you're my living proof  
My love is alive and not dead  
And tell me that we belong together  
Dress it up with the trappings of love  
I'll be captivated, I'll hang from your lips  
Instead of the gallows of heartache that hang from above And I'll be your cryin' shoulder  
And I'll be love suicide  
I'll be better when I'm older  
I'll be the greatest fan of your life I've dropped out, burned up  
And fought my way back from the dead  
I've tuned in and turned on  
And remember the day that you left And I'll be your cryin' shoulder  
And I'll be love suicide  
I'll be better when I'm older  
I'll be the greatest fan of your life  
I'll be your cryin' shoulder  
And I'll be love suicide  
I'll be better when I'm older  
I'll be the greatest fan of your life
