

# All Around the World (Reprise) [Remastered]

## Oasis

It's a bit early in the midnight hour for me  
To go through all the things that I want to be  
I don't believe in everything I see  
Y'know I'm blind so why d'you disagree? Take me away cos I just don't want to stay  
And the lies you make me say  
Are getting deeper every day  
These are crazy days but they make me shine  
Time keeps rolling by All around the world, you've gotta spread the word  
Tell 'em what you've heard  
You're gonna make a better day  
All around the world, you've gotta spread the word  
Tell 'em what you've heard  
You know it's gonna be okay Whatcha gonna do when the walls come falling down?  
You never move you never make a sound  
Where you gonna swim with the ridges that you found?  
You're lost at sea well I hope that you drown Take me away cos I just don't want to stay  
And the lies you make me say  
Are getting deeper every day  
These are crazy days but they make me shine  
Time keeps rolling by All around the world, you've gotta spread the word  
Tell 'em what you've heard  
You're gonna make a better day  
And all around the world, you've gotta spread the word  
Tell 'em what you've heard  
You know it's gonna be okay Na na na na, na na na na, na na na na, na na na, na na, na na, na na,  
Na na na na na na na na, na na na na na na na na,  
Na na na na na na na, na All around the world, you've gotta spread the  
word  
Tell 'em what you've heard  
You're gonna make a better day  
Cos and all around the world, you've gotta spread the word  
Tell 'em what you've heard  
You know it's gonna be okay It's gonna be okay  
It's gonna be okay All around the world, you've gotta spread the word  
Tell 'em what you've heard  
You're gonna make a better day  
Cos all around the world, you've gotta spread the word  
Tell 'em what you've heard  
You know it's gonna be okay All around the world, you've gotta spread the word

Tell 'em what you've heard  
You're gonna make a better day  
And all around the world, you've gotta spread the word  
Tell 'em what you've heard  
You know it's gonna be okayNa na  
Na na na na na na na na na na na na na na  
And I know what I know, what I know what I know  
Yeah I know what I know it's gonna be okay
