

Oklahoma Christmas (feat. Reba)

Blake Shelton

Lets have an oh-oh-oh-oh Oklahoma Christmas
We'll have an old-fashioned two-steppin' time around our old tree We'll have an oh-oh-oh-oh Oklahoma
Christmas
Even if we have to have it here in Tennessee Power lines are down all over town
Our 40 Westbound is a sheet of ice
Heard the weatherman say more is on the way, guess we ain't goin' nowhere tonight Oh, so call up granny and
tell her the news
But even if it's only me and you
We'll have an oh-oh-oh-oh Oklahoma Christmas
Let's have an old-fashioned two stepping' time round our little old tree We'll have oh-oh-oh-oh Oklahoma
Christmas
Hey, even if we have to have it here in Tennessee It don't seem right if we don't have a big slice of
Aunt Bea's pecan pie on our plate
But we can make do, hey I'll whip up two big old golden brown chicken fried steaks So put on some Bob Wills
to set the mood
I think I've even have a six pack of 3.2.
We'll have an oh-oh-oh-oh Oklahoma Christmas
Let's have an old-fashioned two-steppin' time around our old tree We'll have an oh-oh-oh-oh Oklahoma
Christmas
Oh, even if we have to have it here in Tennessee
So baby, it's OK, don't get the blues Yeah, all we really need is me and you
To have an oh-oh-oh-oh Oklahoma Christmas We'll have an old fashioned two-steppin' time around our little
old tree
Two-steppin', we'll have an an oh-oh-oh-oh Oklahoma Christmas
Even if we have to have it here in Tennessee
Oh, even if we have to have it here in Tennessee, yeah
