Leave My Heart Out Of This

Fifth Harmony

My heart is telling me that you were gonna change, but no
My heart is lying right to my face, yeahMy heart is making up excuses for your ways, but I wish that
My heart knew when I should walk awayIt lets me down, it helps me as I get back up off the ground
You're telling me that this is love but I found, it wasn't really on my side
Now I think it's timeI tell my heart to just butt out, keep its opinion to itself
I should just listen to my head, 'cause it's the one who knows what's best
It tells me not to love you, but my heart says just forgive you
Oh but it's not thinking clearly, I wish that I could leave my heart out of this
Leave my heart out of thisI'm done feeling like a stranger to myself, so I know
I've got to put all my feelings on a shelf, yeahIt lets me down, loves me as I get back up off the ground
You're telling me that this is love but I found, it wasn't really on my side
Now I think it's timeI tell my heart to just butt out, keep its opinion to itself
I should just listen to my head, 'cause it's the one who knows what's best
It tells me not to love you, but my heart says just forgive you
Oh but it's not thinking clearly, I wish that I could leave my heart out of this
Leave my heart out of thisSometimes I wish you'd just shut up and let me think
I've had enough, I need to just make up my mind (Make up my mind)
So that's whyI should just listen to my head, 'cause it's the one who knows what's bestIt tells me not to love you, but my heart says just forgive you
Oh but it's not thinking clearly, I wish that I could leave my
Leave my heart out of this
