Minor Thing

Red Hot Chili Peppers

I change the key from C to D
You see to me, it's just a minor thing, y'all
He knows everythingTo readjust you've got to trust
That all the fuss is just a minor thing, y'all
He knows everythingIt's just a minor thing
And I'm a minor king

He knows everything You've got your bit part, Mozart

Hot dart acceleration

Pop art, pistol chasin'

Cat fight intimidationTo read a mind you've got to redefine the line To make your circle sing, y'all

He knows everything You make a sound, the spell is bound

To come around, it's just a minor thing, y'all

He knows everythingIt's just a minor thing

And I'm a minor king

He knows everything You've got your bit part, Mozart

Hot dart acceleration

Pop art, pistol chasin'

Cat fight intimidationAll out interfacing

Black star motivation

Vampire sugar junkie

Databasin' infiltrationI change the key from C to D

You see to me it's just a minor thing, y'all

He knows everythingTo readjust you've got to trust

That all the fuss is just a minor thing, y'all

He knows everything It's just a minor thing

And I'm a minor king It's just a minor thing

And I'm a minor king
