

Raymond's Shop

Stereophonics

Goin' down, la na na
Goin' down, la na na na naI used to buy my sweets and candy treats at Raymond's shop
I used to pass there every day
The time has come to buy a gun and hold up Raymond's shop
Looks like I will be goin' awayGoin' down, la na na
Goin' down, la na na na naIt's been two years my mind's not clear I'll stop at Raymond's shop
It's boarded up, he's gone away
The words got out and there's no doubt it came from Raymond's shop
Looks like our little boys will playPlay away, away
Play away, awayYeah it's turned about, it's back on you
Your famous 15 times by 2
You ask around to find the truth
And all the fingers point at youYou're sick, you're low, my minds made up
Your two years down, I'm back in luck
I wouldn't save you if you drown
I hope you like your time gone down
