

Pac Man

Troy Ave

Advisory - the following lyrics contain explicit language:

I give a fuck 'bout what you say nigga
It don't affect my bank nigga
I get money every day nigga
You run up and get sprayed nigga
I give a fuck 'bout what you say nigga
It don't affect my bank nigga
I get money every day nigga
You run up and get sprayed nigga I don't give a fuck about a hater
It don't affect my paper
If it did I would spray ya
See ya later
Pussy nigga gotta go bye-bye
If I seen twenty, get you, you go aye-aye
Hit ya in your back, head and I die
Leave your wings and I'm still a fly guy, damn
The boy cannot be stopped
You came through in the foreign, then another one, it was dropped
You little niggas is boring man, I been had that box
I drove that shit seven times then left it in the lot I'm just talkin' facts man
I get a whole lotta stacks man, man
And my swag gettin' jacked man, damn
They bitin' me like Pac-Man I give a fuck 'bout what you say nigga
It don't affect my bank nigga
I get money every day nigga
You run up and get sprayed nigga
I give a fuck 'bout what you say nigga
It don't affect my bank nigga
I get money every day nigga
You run up and get sprayed nigga Niggas just be talkin', where the fuck is the action
All I see is words, case closed, captions
These niggas is birds, rappin'
These niggas is birds, gettin' caught and they flappin'

Hov picked 'em out, I guess it's cool now
If you a snitch, you a sump, I can't have you around
I just can't figure, no Tommy, fuck they doin' now
BSB real niggas, you see who around? I'm just talkin' facts man
I get a whole lotta stacks man, man
And my swag gettin' jacked man, damn
They bitin' me like Pac-Man I give a fuck 'bout what you say nigga
It don't affect my bank nigga
I get money every day nigga
You run up and get sprayed nigga
I give a fuck 'bout what you say nigga
It don't affect my bank nigga
I get money every day nigga
You run up and get sprayed nigga
