

Cheer Up Emo Kid

Patent Pending

I've got a problem with everyone I know
I've got a problem I want everyone to know
I got home late last night from the punk(PUNK) rock(ROCK) show
I say it sucked because I'm emoI'm gonna cry I'm gonna scream
I'm gonna say what I don't mean
I'm gonna cry I'm gonna mope
I'm gonna give up all my hope
Bringing everybody down
Everybody with a frown
Bringing everybody down
Wait for death to come aroundCheer up emo kid
It's a brand new day
Cheer up emo kid
It'll be okay
Cheer up emo kid
It's a brand new day
Cheer up emo kid
It'll be okayI like to listen to my favorite band the cure
I'd ask her out but she'd say no!
No for sureI'm gonna cry I'm gonna scream
I'm gonna say what I don't mean
I'm gonna cry I'm gonna mope
I'm gonna give up all my hope
Bringing everybody down
