Dominate

HexRx

Pain in the knife,
you can?t separate them.
Pain in your life,
you can?t take it.
Pain in the night,
you can?t fucking wake up.
Pain on the inside,
you can?t feel me anymore

contemplating
still debating
masturbating
dominate

infiltrating
executing
be my lady
dominate

penetrating
dominating
still pulsating
soul I?m stealing

She?s still sucking
I?m still fucking
dominating
dominate
