Automatic

Castro

I was lost at sea,
You were an island.
Like gravity, you were pulling me to shore.
I was a refugee, you were asylum.
You shelter me and now I call you home.Automatic, more than I've ever imagined.
And I'm stock to you like static
Loving you is automatic
Just like magic, a mystery and I can't crack it
Everything I want you have it.
Loving you is automatic.I was a lonely soul,
Searching the silence.
You were a melody, the Symphony of hope.
And all at once I realized,
Everything inside has come Alive.
Automatic, more than I've ever imagined.
And I'm stock to you like static
Loving you is automatic
Just like magic, a mystery and I can't crack it
Everything I want you have it.
Loving you is automatic.Like a spark that ignites into a flame,
Like an avalanche you can't contain
Like the summer raise and fall, again and againAutomatic, more than I've ever imagined.
And I'm stock to you like static
Loving you is automatic
Just like magic, a mystery and I can't crack it
Everything I want you have it.
Loving you is automatic.
Oooh
Oooh
Oooh
Oooh
