Me Versus Me

Stacy Barthe

Sat by my window, watching all the other girls fall in love
But I'd never know, what it felt to hear him say you're the oneDrive myself in the state of denial
So dark and hopeless, I wanted to die
But now I know that there's a difference
Between happy and just saying that
I'm still trying to find it in the midst of all this madnessIt's still an uphill battle, battle
It's still an uphill battle, battle
Me versus me
Me versus meWay too much time spent lowering myself to please someone else
Buying affection for whoever, cause I'm just too afraid to be aloneDrive myself in the state of denial
So dark and hopeless, I wanted to die
But now I know that there's a difference
Between happy and just saying that
I'm still trying to find it in the midst of all this madnessIt's still an uphill battle, battle
It's still an uphill battle, battle
Me versus me
Me versus me
Me versus me
Me versus meYou can run, run, run fast as you can
But you can't run from yourself
Run, run, run fast as you can
You can't outrun yourselfIt's still an uphill battle, battle
It's still an uphill battle, battle
Me versus me
Me versus me
Me versus me
Me versus me
