

I Can't Stand the Rain

La Bouche

I can't stand the rain against my window
Bringing back sweet memories
I can't stand the rain against my window
Now that you're not here with me When we were together, everything was so grand
Now that we've parted
There's one sound that I just can't stand, the rain I can't stand the rain against my window
Bringing back sweet memories
Hey, window pane do you remember how sweet it used to be? Alone with the pillow, where his head used to lay
I know you've got some sweet memories
But like a window you ain't got nothing to say I can't stand the rain against my window
Bringing back sweet memories
I can't stand the rain against my window
Now that he's not here with me Alone with the pillow where his head used to lay
I know you've got sweet memories
But like a window you ain't got nothing to say Rain, rain, rain, rain, rain against my window
